**Listing of Claims**

What is claimed is:

1. (Currently Amended) A reversible double sided necktie comprising consisting of:  
at least two fabrics stitched together  
a first flat piece of fabric in the shape of a tie;  
a second flat piece of fabric in the same shape and size as said first flat piece of fabric;  
an inner lining in the same shape as said first flat piece of fabric, wherein said inner lining is smaller in size than said first flat piece of fabric;  
wherein said first flat piece of fabric comprises a first flat side of said necktie and said second flat piece of fabric comprises a second flat side of said necktie;  
further wherein said inner lining is placed between said first flat piece of fabric and said second flat piece of fabric;  
wherein said first flat piece of fabric and said second flat piece of fabric are stitched together with a series of stitches to form said shape of a tie;  
further wherein said series of stitches are stitched from the edge of either said first or second flat piece of fabric onto the other flat piece of fabric at any angle not perpendicular to either said first or the second flat piece of fabric.
